Decision about the Accreditation Procedure

Dear Professor Pramujati,

We herewith inform you about the decision of the Accreditation Commission for Degree Programmes taken on 24 September 2024 regarding the accreditation procedure for the below mentioned degree programmes. Taking into consideration the assessments of the expert panel and the relevant Technical Committees, the Accreditation Commission took the following decision:

Degree Programme	ASIIN-seal	Subject-specific label	Maximum duration of accreditation
Ba Industrial Engineering	With requirements for one year		30.09.2030
Ma Chemical Engineering	With requirements for one year		30.09.2030
Ma Mechanical Engineering	With requirements for one year		30.09.2030

In case the accreditation has been issued with requirements, it is valid until 15 January 2026. If the requirements are fulfilled in due time, the accreditation will be normally extended until the maximum duration indicated in the table above.

We kindly ask you to submit written documentation for the fulfilment of the requirement/s until 15 July 2025.

Please consult the accreditation report for detailed information on the accreditation process and its outcome. This report will be published on ASIIN's website. The ASIIN Accreditation Commission has decided that informing responsible authorities of the results is the responsibility of each higher education institution.

Please note that substantial changes in the structure, contents and the endowment of the degree programmes made within the accreditation period must be brought to our attention. Such changes would have to be examined by the Accreditation Commission.

I thank you for the good cooperation with the members of your institution, also on behalf of the experts, and remain

Yours sincerely
