Orientation Week

Starting a new semester with online-based learning might be a bit challenging. Don't worry! Orientation Week will tell you how to perform well during your online learning in ITS. Besides, you will be experiencing virtual campus and city tour which keep you engaged on its every step of the way!

FBICC (Fun Bahasa Indonesia and Cultural Courses)

FBICC is one of ITS Global Engagement program which gives an opportunity for global citizens to learn about Bahasa Indonesia and cultural understanding. There will also be an Introduction for places in ITS using 360 video!

Buddy Session

How's your study going? Share your thoughts and experiences during your virtual study at ITS through a fun session with your Buddy.

International Student Night

Online self-study at home seems boring and exhausting. Fill your day playing interactive online games with other ITS International Students on International Students Night!

English Fun Day

A program which focuses on social services such as teaching english in school and community service in orphanage

Global Unity Fair*

Find cross-cultural experiences through international culture and education webinar series. Share your country's cultural experiences and explore new things about other cultures around the world!

See You Soon Party

Everything with a beginning has an end. But before that, let's celebrate our accomplishment with a virtual farewell party! It is not a goodbye, It is a see you soon.

*local students are welcomed to join
