FAQ SE 2022

What is Study Excursion?

Study Excursion 2022 is an outbound program packaged in the form of a study excursion for ITS students with the aim of providing international insight for students through a series of visits to universities/institutions abroad that have a high reputation. This program will be implemented throughout June-August 2022. Students can choose from several available destination options: Singapore, Taiwan, Thailand, Japan, South Korea, Australia, Philippines, France, and Germany

What is the aim of the 2022 Study Excursion?

- Improving student insight and experience, especially about global competition
- Improve students' soft skills and self-confidence

Who can apply for Study Excursion 2022?

Open for all active ITS students at the International Undergraduate Program

What are the required documents?

- Passport
- Personal data / CV
- Motivation Letter to join the 2022 Study Excursion program
- Latest transcript

How to join this program?

Fill out the registration form at <https://intip.in/SECommunal2022>

If we don't have a passport, can we apply?

Please apply for passport from now

If you have participated in the International Exposure program before, is it allowed to participate in this SE?

Yes, it is okay.

How is the deposit payment procedure?

The deposit payment procedure with the amount of estimated cost. The exact amount information per country will be informed later.

Do participants apply for passports and visas independently?

Yes. Passport and visa arrangements are not covered by ITS IO

When is the application deadline for this program?

Online registration for all countries is open on March 18, 2022 - March 31, 2022. The next stage will be informed later

How is this SE will be implemented, is it offline?

This SE will be undergone in hybrid way, which is online and offline. The first part of this program is online, and the second part of this program will be offline.

Who are eligible for this program?

Basically this program is provided for IUP students batch 2019 and 2020, and the available quota is 504 students. But if the total amount of IUP students that apply for this SE didn't met that number, we will provide the rest of the quota for regular students, and they have to compete to get it.

Are regular students allowed to participate in this SE?

Yes, they are allowed. But, those who willing to get scholarship, they must fulfill the requirements, following some selection process, interview, etc. and the amount of the scholarship will be decided by ITS GE. For those students that wants to participate but without scholarship, they may apply with lesser process.

Are Naval Architecture-Joint Degree students allowed to participate in this SE?

Yes, but there is no scholarship coverage. And they don't have to go through selection process like those who wish to get scholarship

If there is a change in the timeline, targeted destination, and the estimated cost per country, further information will be provided.
