DARMAISWA SCHOLARSHIP

ITS SURABAYA

Darmasiswa is an Indonesia government scholarship managed by the Ministry of Education, Culture, Research, and Technology in cooperation with Indonesian Ministry of Foreign Affairs. This program offers opportunities to enhance knowledge, embrace experience, and broaden acquaintance about culture and language in Indonesia. This one year non-degree scholarship program is opened for all foreigners from countries which have diplomatic relationship with Indonesia.

WHY ITS SURABAYA?

Since 2013, ITS Surabaya is trusted as one of the host universities to organize Darmasiswa Program. As one of the best technological universities in Indonesia, ITS Surabaya provides a very friendly atmosphere within excellent academic community and pleasing natural environment. Darmasiswa at ITS Surabaya provides not only vibrant, galmorous, metropolitan life, but also modest, originally traditional life in Surabaya, the city full of architectural trace and history.

DARMASISWA SCHOLARSHIP

ITS SURABAYA

WHAT OUR ALUMNI SAYS?

"I am truly lucky guy because I spent Darmasiswa program at ITS. ITS has beautiful campus and enjoyable atmosphere of classes. All of these make me more motivate to learn Bahasa Indonesia and Indonesian culture. I am especially thankful to International Office. The staff is full of kindness as well as really active to solve any kind of problem as an international student can have. I would love to choose ITS again if I get a chance to take participate in Darmasiswa program again."

HEE JAE PARK

Darmasiswa Student from South Korea (2017)

"I still remember when I came to Surabaya for the first time year and join Darmasiswa program for 2014, during ten months approximately. Its was really very nice experience for me because it helped me to learn all about Indonesian culture and about other cultures by meeting other people from different countries. Also, after joining Darmasiswa I could travel around Indonesia and discover wonderful places like volcanos, temples, and many more."

ABIGAIL GASOCYNE

Darmasiswa Student from United Kingdom (2013)

"I have been appointed to Surabaya by Darmasiswa program. Regarding ITS itself it is very green campus which pays a lot of attention to this issue, so it makes me happy. Regarding the way at teaching, I am happy with the lecturers which are professionals not only in language but also explaining cultural things in interesting ways. Cultural activities are well managed at ITS. It is also a chance for me to improve my experience and skills such as getting to a new language and cultures."

MEHDI LASSOUED

Darmasiswa Student from Tunisia (2014)
