Global Competencies Program Study Excursion 2023 Goes to France

ITS Global Engagement will conduct
Global Competencies Program: Excursion Study 2023

ITS Students will be able to experience lectures from professors at INSA Hauts-de-france, and enjoy the city of Valenciennes!

Don't miss the opportunity and get a scholarship* for the program.

ITS Global Engagement is offering a scholarship, worth Rp 4.000.000 for Regular students and RP 5.000.000 for IUP students. The Scholarship will be given once the program finished.

To receive the scholarship, students must submit a letter of responsibility (SPJ) along with boarding passes, photographs, immigration stamps, and any other related documents (to be confirmed soon) to ITS GE for reimbursement.
